A GLOBAL STRATEGIC BUSINESS REPORT 2004

FACTS AT A GLANCE

- Most comprehensive report covering worldwide markets
- Data-intensive research - An imperative for the serious player!
- Designed to empower the quality conscious executive
- Presented in crisp easy-to-use tables, charts, and text formats
- 125 Companies profiled - Covering Key & Niche Players worldwide
- 159 Exhibits - Market Data, Tables, Shares, Analyses, Trends, etc.
- 256 Pages of original research content encompassing all facets
- 1,300+ employee hours of research and analyses
- Research assisted and subscribed by many key players worldwide!

CODE: MCP-2749
PRICE: US \$4,450

PAGES: 256
DATE: June 2004

A Worldwide Business Strategy and Market Intelligence Source

CONTENTS

I. RESEARCH METHODOLOGY

II. EXECUTIVE SUMMARY

1. Outlook II-1

Explosives: Set for Robust Growth.....II-1
 Nitrogen Compounds Reign Global Explosives MarketII-1
 Rising Ammonium Nitrate Prices Create ConcernsII-2
 Current & Future Analysis.....II-2
 Market Analysis by Geographic RegionsII-2
 Market Analysis by Product Segments.....II-3
 Historical ReviewII-3
 Market Analysis by Geographic RegionsII-3
 Market Analysis by Product Segments.....II-4
 Industry StructureII-4
 Shares of Leading Players in the Global Explosives Market...II-5

2. Product Overview II-5

Product DefinitionII-5
 Types of Explosives.....II-6
 Industrial ExplosivesII-6
 Industrial Explosive Devices (IEDs)II-6
 Incendiary Devices.....II-6
 Explosive Devices.....II-6
 Classification of Explosives.....II-7
 Initiating Explosives.....II-7
 Lead Azide.....II-8
 Lead StyphnateII-8
 Mercury FulminateII-8
 TetraceneII-8
 Boostering Explosives.....II-8
 Pentaerythritol tetranitrate (PETN).....II-8
 TetrylII-8
 RDXII-8
 Bursting Charge ExplosivesII-9
 AmatolII-9
 Ammonium Picrate.....II-9
 DBXII-9
 HBXII-9
 HMX Compositions.....II-9
 Pentolite.....II-9
 Picratol.....II-9
 Picric Acid.....II-9
 RDX Compositions.....II-10
 TetrytolII-10
 Trinitrotoluene (TNT).....II-10
 TorpexII-10
 Trigonol.....II-10
 Plastic Bonded ExplosivesII-10
 Propellants and Other Explosives.....II-10
 Black Powder.....II-10
 Nitroglycerine.....II-11
 Solid Propellants.....II-11
 Alternate Classification of ExplosivesII-11
 Impact ExplosivesII-12
 Ammonium Triiodide CrystalsII-12

Mercury Fulminate II-12
 Nitroglycerine II-12
 Picrates II-13
 High Order Explosives II-13
 RDX (Cyclonite)..... II-13
 Desensitizing RDX II-13
 Ammonium Nitrate II-13
 ANFOS II-14
 Trinitrotoluene (TNT) II-14
 Potassium Chlorate II-14
 Dynamite II-14
 Nitrostarch Explosives II-14
 Picric Acid II-14
 Ammonium Picrate II-14
 Nitrogen Trichloride II-14
 Lead Azide..... II-14
 Low Order Explosives II-15
 Black Powder..... II-15
 Nitrocellulose..... II-15
 Fuel-Oxidizer Mixtures II-15
 Perchlorates II-15
 Other Explosives II-15
 Thermit II-15
 Molotov Cocktails..... II-15
 Chemical Fire Bottle II-16
 Bottled Gas Explosives II-16
 Military Explosives..... II-16
 Classification of Military Explosives..... II-16
 Based on Rate of Decomposition II-16
 High Explosives II-16
 Low Explosives II-16
 Based on Composition II-16
 Explosives Mixtures II-16
 Explosives Compounds II-16
 Based on Service Use..... II-17
 Propellants and Impulse Explosives II-17
 Disrupting or Bursting Explosives..... II-17
 Initiating Explosives II-17
 Auxiliary Explosives II-17
 Pyrotechnic Substances II-17
 Other Types of Military Explosives II-18
 Military Chemical Agents II-18
 Military Gases II-18
 Screening Smoke..... II-18
 Incendiaries II-18
 Simulated Military Gases II-18
 More on Explosives II-18
 Packaged Explosives II-18
 Shaped Charges..... II-18

RESEARCH PROGRAM PREVIEWS

A complimentary preview of our research program for this project can be requested by contacting our Research Services Group (RSG) at rsg@globind.com. The preview provides excerpts from the report and explains our methodology, techniques, program statistics, and sources used.

CONTENTS

Tube Explosives	II-18	Orica Purchases Stake in ES Australia	II-25
Atomized Particle Explosion	II-19	Dyno Nobel and Enaex Merge Latin American Operations ..	II-25
Lightbulb Bombs	II-19	Dyno Nobel Acquires St. Lawrence Explosives.....	II-26
Book Bombs	II-19	Orica, Australia and Znamja Group, Russia Sign	
Phone Bombs.....	II-19	Joint Venture Agreement	II-26
Efficiency Component Of Explosives	II-19	De Beers Signs Contracts with African Explosives	II-26
Loading Techniques.....	II-19	BAE to Supply Explosive to U.S. Army	II-26
Cast Loading	II-20	Dyno to Merge Explosives Operations with Ensign	II-26
Press-Loading.....	II-20	African Explosives to Construct New Facilities in Africa ...	II-26
Extrusion	II-20	AEL Opens Explosives Manufacturing Plant in Mali	II-27
Overbreak Control - Blasting Technique for Explosives ..	II-20	Sasol Acquires Roche Blasting Services.....	II-27
Line Drilling	II-20	Ensign Bickford Launches Trojan 600 & Trojan 800	
Pre Splitting.....	II-20	Boosters.....	II-27
Trim Blasting.....	II-20	Ensign Bickford Introduces the Trojan Super Prime	
Measures for Protecting Buildings from Blasts	II-20	NB-16 Booster	II-27
Windows and Glazing.....	II-20	Lacroix Takes Over The Land and Sea Countermeasures	
Laminated Glass.....	II-20	Business Of SNPE.....	II-27
Polycarbonate (laminated or plain) systems	II-21	Smiths Group Acquires Barringer Technologies.....	II-28
Toughened Glass	II-21	Royal Ordnance North America Wins Contract For	
Doors	II-21	Supply Of CXM-7 Explosives.....	II-28
Check Copy.....	II-21	SNPE Explosives (France) and SAMP (France) Win Bomb	
Walls, Floors and Roofs.....	II-21	Contracts	II-28
Hard and Massive.....	II-21	ADI Wins Contract From Australian Defense Force	
Ductile and Dynamic.....	II-21	(ADF)	II-28
Designs That Can be Used by Professionals	II-21	Hanwha Inks an Agreement To Acquire Security Industry	
Seismic Designs	II-22	Division of Daewoo Electronics.....	II-28
Lateral Support Systems.....	II-22	Mikhajlovskij GOK Sets-UP Industrial Explosives	
Other Issues.....	II-22	Production Facility	II-28
Construction Methods to Maximize Safety	II-22	Orica (Australia) Closes Two Plants in Altona	II-28
Reinforced Concrete	II-22	IDL Industries Sells Stake In Astra-IDL.....	II-28
Minimizing Hazards Due to Glass	II-22	Orica Expands Ammonium Nitrate Production Capacity	
Polyester Film	II-22	in Joplin.....	II-29
Tempered Safety Glass.....	II-22	Industri Kapital Takes Over Dyno (Norway).....	II-29
Blast Curtain	II-23	Slurry Explosive Corp. Emerges As a Key Binary	
Chemicals in Practical Applications.....	II-23	Explosive Manufacturer	II-29
Black Powder	II-23	Orica Plans to Acquire Dynamit Nobel's Industrial	
Ammonium Nitrate and Fuel Oil	II-23	Explosives Business	II-29
Ethylene Glycol.....	II-23	Symex International Acquires Uniquema	II-29
3. Technological Developments.....	II-23	Quantum Explosives Takes Over Total Energy	
Acoustic Core™ (AC) Remote Sensing Technology to		Systems Ltd.....	II-29
Detect Plastic Explosives	II-23	Orica USA Inc. Joins Forces With Dyno Nobel Inc.....	II-29
Chicago University Scientists Develop the Most Powerful		Orica Forays into Chinese Market	II-30
Explosive	II-23	Orica Ventures Into Indonesian Explosives Market	II-30
Prototype System to Detect Land Mines.....	II-24	Orica To Form Joint Venture With Accept Corp	II-30
Chemical Detection Technologies Develops Novel		Orica Ventures Into Scandinavian Explosives Market	II-30
Landmine Detection Device	II-24	Orica Enters Into Joint Venture With Merand Group.....	II-30
Devices to Detect Mines Under Water.....	II-24	US ITA Imposes Antidumping Duty.....	II-30
US Department of Energy Research Projects.....	II-24	ATF To Amend Regulations Concerning Imported	
New Technology to Detect Explosives	II-24	Explosive Materials.....	II-30
VFCT to Develop New Explosives Detection Technology...II-24		Michigan's New Anti-Cyber crime Bill Covers Illegal	
New Explosives and Narcotics Identification System	II-25	Online Marketing of Explosives	II-31
4. Recent Industry Activity	II-25	Energetic Solutions Changes Name to Orica USA.....	II-31
Invision Technologies Inc. Acquires Yxlon International		Premier Explosives Forays Into Emulsion Explosives	II-31
Holding GmbH	II-25	5. Focus on Select Players	II-31
Famesa Explosives Purchases Stake in Explonor	II-25	AECI Ltd (South Africa).....	II-31
Orica Purchases Stake in Indian Explosives Joint Venture ...II-25		Alliant Techsystems Inc (US).....	II-31
		Austin Powders (US)	II-31

CONTENTS

Dyno Nobel (Norway)II-32
 Tec Harseim S.A.I.C (Chile)II-32
 Empresa Nacional de Explosivos (Enaex) S.A (Chile)II-32
 Ensign Bickford (US)II-33
 ETI Canada Inc (Canada)II-33
 Exchem Plc (UK).....II-33
 LSB Industries (US)II-33
 NOF Corp (Japan)II-33
 Orica Ltd (Australia).....II-34
 Pacific Scientific Company (USA)II-34
 Sasol (South Africa)II-35
 Societe Nationale Des Poudres Et Explosifs (SNPE)
 (France).....II-35

6. Global Market Perspective.....II-36

World Market for Explosives: A Current and Future Analysis:
 Annual Sales for the Years 2001 through 2010 by
 Geographic Region in Thousand Metric TonsII-36
 US
 Canada
 Japan
 Europe
 Asia-Pacific
 Middle East
 Latin America

World Market for Explosives: A Ten-Year Historic Review:
 Annual Sales for the Years 1991 through 2000 by
 Geographic Region in Thousand Metric TonsII-36
 US
 Canada
 Japan
 Europe
 Asia-Pacific
 Middle East
 Latin America

World Market for Blasting Agents: A Current and Future
 Analysis: Annual Sales for the Years 2001 through 2010 by
 Geographic Region in Thousand Metric TonsII-38
 US
 Canada
 Japan
 Europe
 Asia-Pacific
 Middle East
 Latin America

World Market for Blasting Agents: A Current and Future
 Analysis: Annual Sales for the Years 2001 through 2010 by
 Product Segment in Thousand Metric TonsII-38
 Unprocessed Ammonium Nitrate
 ANFO
 Water Explosives

World Market for Blasting Agents: A Ten-Year Historic
 Review: Annual Sales for the Years 1991 through 2000 by
 Geographic Region in Thousand Metric TonsII-39
 US
 Canada

REVIEW REPORT EXCERPTS

RESEARCH PROGRAM

A complimentary digital preview of our research program with excerpts, methodology, techniques, questionnaire, statistics, etc., can be requested by contacting our Research Services Group (RSG) at rsg@globind.com.

CONTENTS

Italian Market for Explosives– A Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed III-24

- Blasting Agents
 - Unprocessed Ammonium Nitrate
 - ANFO
 - Water Explosives
- Propellants
- Pyrotechnics
- Other Explosives

4d. The United Kingdom III-25

- A. Market Analysis III-25
 - Current and Future Analysis III-25
 - Strategic Developments III-25
- B. Market Analytics III-25
 - UK Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed III-25
 - Blasting Agents
 - Unprocessed Ammonium Nitrate
 - ANFO
 - Water Explosives
 - Propellants
 - Pyrotechnics
 - Other Explosives
 - UK Market for Explosives– A Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed III-26
 - Blasting Agents
 - Unprocessed Ammonium Nitrate
 - ANFO
 - Water Explosives
 - Propellants
 - Pyrotechnics
 - Other Explosives

4e. Rest of Europe III-27

- A. Market Analysis III-27
 - Outlook III-27
 - Strategic Developments III-27
- B. Market Analytics III-29
 - Explosives Market in Rest of Europe- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed III-29
 - Blasting Agents
 - Unprocessed Ammonium Nitrate
 - ANFO
 - Water Explosives
 - Propellants
 - Pyrotechnics
 - Other Explosives

RESEARCH PROGRAM PREVIEWS

A complimentary preview of our research program for this project can be requested by contacting our Research Services Group (RSG) at rsg@globind.com. The preview provides excerpts from the report and explains our methodology, techniques, program statistics, and sources used.

Explosives Market in Rest of Europe– A Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed III-29

- Blasting Agents
 - Unprocessed Ammonium Nitrate
 - ANFO
 - Water Explosives
- Propellants
- Pyrotechnics
- Other Explosives

5. Asia-Pacific III-31

- A. Market Analysis III-31
 - Current and Future Analysis III-31
 - Australia III-31
 - China III-31
 - India III-31
 - Indian Explosives Market: An Overview III-31
 - Consumption III-32
 - Regulatory Environment in India III-32

EXHIBITS

TABLES

1. Shares of Leading Players in the Global Explosives MarketII-5
2. World Market for Explosives: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin AmericaII-36
3. World Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin AmericaII-36
4. World Market for Explosives: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin AmericaII-37
5. World Market for Blasting Agents: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin AmericaII-38
6. World Market for Blasting Agents: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Unprocessed Ammonium Nitrate, ANFO, and Water Explosives.....II-38
7. World Market for Blasting Agents: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America...II-39
8. World Market for Blasting Agents: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Unprocessed Ammonium Nitrate, ANFO, and Water Explosives.....II-39
9. World Market for Blasting Agents: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin AmericaII-40
10. World Market for Blasting Agents: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments – Unprocessed Ammonium Nitrate, ANFO, and Water Explosives II-40
11. World Market for Unprocessed Ammonium Nitrate: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America..... II-41
12. World Market for Unprocessed Ammonium Nitrate: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America II-41
13. World Market for Unprocessed Ammonium Nitrate: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America II-42
14. World Market for ANFO: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America..... II-43
15. World Market for ANFO: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America..... II-43
16. World Market for ANFO: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America..... II-44
17. World Market for Water Explosives: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America..... II-45
18. World Market for Water Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin AmericaII-45
19. World Market for Water Explosives: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin AmericaII-46
20. World Market for Propellants: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin AmericaII-47
21. World Market for Propellants: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin AmericaII-47
22. World Market for Propellants: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin AmericaII-48
23. World Market for Pyrotechnics: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin AmericaII-49
24. World Market for Pyrotechnics: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin AmericaII-49
25. World Market for Pyrotechnics: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin AmericaII-50

EXHIBITS

- 49. French Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-20
- 50. French Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-20
- 51. German Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-21
- 52. German Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-22
- 53. German Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-22
- 54. Italian Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-23
- 55. Italian Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-24
- 56. Italian Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-24
- 57. UK Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-25
- 58. UK Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-26
- 59. UK Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-26
- 60. Explosives Market in Rest of Europe- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-29
- 61. Explosives Market in Rest of Europe: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-29
- 62. Explosives Market in Rest of Europe: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-30
- 63. Explosives Market in Asia-Pacific - A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-35
- 64. Explosives Market in Asia-Pacific – A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-35
- 65. Explosives Market in Asia-Pacific: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-36
- 66. Explosives Market in the Middle East - A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-37
- 67. Explosives Market in the Middle East: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-38
- 68. Explosives Market in the Middle East: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-38
- 69. Explosives Market in Latin America - A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-40

EXHIBITS

70. Explosives Market in Latin America: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-41

71. Explosives Market in Latin America: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-41

72. Acetex Corp.: Half-Yearly Sales Comparison: 2002-2003 (In US\$ million) IV-4

73. Alliant Tech Systems, Inc.: Nine Months Sales Analysis: 2003-2004 (Nine Months Ended December) (In US\$ billion) IV-13

74. Alliant Tech Systems, Inc.: Annual Sales Analysis: 2002-2003 (In US\$ billion) IV-13

75. Asahi Kasei Corporation: Annual Sales Comparison by Segment: 2002-2003 (In ¥ million) IV-24

76. ICI India Ltd.: Segment Wise Annual Sales Analysis: 2002-2003 (In INR crore) IV-54

77. Hi-Shear Technology Corp.: Half Yearly Sales Analysis: 2003-2004 (H1) (In US\$ million) IV-83

78. Hi-Shear Technology Corp.: Annual Sales Analysis: 2002-2002 (In US\$ million) IV-84

79. Kemira Oyj: Annual Sales Analysis: 2001-2003 (In €million) IV-98

80. LSB Industries, Inc.: Nine Months Sales Comparison by Business Segment: 2002-2003 (In US\$ million) (for Nine Months Ended September) IV-106

81. Nippon Kayaku Company Limited: Annual Sales Analysis By Segment: 2002-2003 (In ¥ billion) IV-113

82. NOF Corporation: Annual Sales Analysis: 2003-2001 (In US\$ million) IV-119

83. Orica Ltd.: Annual Sales Comparison by Segment: 2002-2003 (In A\$ million) IV-124

84. Orica Ltd.: Annual Sales Comparison by Geographic Region: 2002-2003 (In A\$ million) IV-125

85. Saab Bofors Dynamics AB: Annual Sales Analysis: 2002-2003 (In SEK billion) IV-132

86. Sasol Ltd.: Annual Sales Analysis: 2001 – 2003 (In \$ million) IV-137

87. SQM Iodo SA, Sociedad Quimica Y Minera De Chile: Quarterly Sales Analysis: 2002-2003 (Nine Months Ended September) (In US\$ million) IV-149

88. Unocal Corporation: Nine Months Sales Analysis: 2002-2003 (Nine Months Ended September) (In US\$ million) IV-157

GRAPHS

89. World Market for Explosives: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America II-36

90. World Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America II-36

91. World Market for Blasting Agents: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America II-38

92. World Market for Blasting Agents: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Unprocessed Ammonium Nitrate, ANFO, and Water Explosives II-38

93. World Market for Blasting Agents: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America II-39

94. World Market for Blasting Agents: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Unprocessed Ammonium Nitrate, ANFO, and Water Explosives II-39

95. World Market for Unprocessed Ammonium Nitrate: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America II-41

96. World Market for Unprocessed Ammonium Nitrate: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America II-41

97. World Market for ANFO: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America II-43

98. World Market for ANFO: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America II-43

99. World Market for Water Explosives: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America II-45

100. World Market for Water Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America II-45

101. World Market for Propellants: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America II-47

102. World Market for Propellants: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America II-47

103. World Market for Pyrotechnics: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin America II-49

RESEARCH PROGRAM PREVIEWS

A complimentary preview of our research program for this project can be requested by contacting our Research Services Group (RSG) at rsg@globind.com. The preview provides excerpts from the report and explains our methodology, techniques, program statistics, and sources used.

EXHIBITS

104. World Market for Pyrotechnics: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin AmericaII-49
105. World Market for Other Explosives: A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific, Middle-East and Latin AmericaII-51
106. World Market for Other Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – US, Canada, Japan, Europe, Asia-Pacific (Excluding Japan), Middle-East and Latin America...II-51
107. US Market for Explosives – A Current & Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. End-Use Segments Independently Analyzed – Mining (*Coal, Mineral, and Metal*), Construction, and others III-7
108. US Market for Explosives– A Current & Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-7
109. US Market for Explosives– A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons: End-Use Segments Independently Analyzed – Mining (*Coal, Mineral, and Metal*), Construction, and others III-8
110. US Market for Explosives – A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-8
111. Canadian Market for Explosives– A Current & Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-11
112. Canadian Market for Explosives – A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-11
113. Japanese Market for Explosives– A Current & Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other ExplosivesIII-13
114. Japanese Market for Explosives– A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-14
115. European Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Geographic Regions Independently Analyzed – France, Germany, Italy, UK, and Rest of Europe..... III-16
116. European Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other ExplosivesIII-16
117. European Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Geographic Regions Independently Analyzed – France, Germany, Italy, UK, and Rest of Europe..... III-17
118. European Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-17
119. French Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives.....III-19
120. French Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-20
121. German Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-21
122. German Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-22
123. Italian Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-23
124. Italian Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-24
125. UK Market for Explosives- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-25
126. UK Market for Explosives: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-26
127. Explosives Market in Rest of Europe- A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-29

EXHIBITS

128. Explosives Market in Rest of Europe: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-29
129. Explosives Market in Asia-Pacific - A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-35
130. Explosives Market in Asia-Pacific – A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-35
131. Explosives Market in the Middle East - A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-37
132. Explosives Market in the Middle East: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-38
133. Explosives Market in Latin America - A Current and Future Analysis: Annual Sales for the Years 2001 through 2010 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-40
134. Explosives Market in Latin America: A Ten-Year Historic Review: Annual Sales for the Years 1991 through 2000 in Thousand Metric Tons. Product Segments Independently Analyzed – Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-41
136. World Market for Explosives: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America..... II-37
137. World Market for Blasting Agents: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America..... II-40
138. World Market for Blasting Agents: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments – Unprocessed Ammonium Nitrate, ANFO, and Water Explosives II-40
139. World Market for Unprocessed Ammonium Nitrate: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America II-42
140. World Market for ANFO: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America II-44
141. World Market for Water Explosives: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America II-46
142. World Market for Propellants: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America II-48
143. World Market for Pyrotechnics: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America II-50
144. World Market for Other Explosives: A Global 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - US, Canada, Japan, Europe, Asia-Pacific (excluding Japan), Middle East, and Latin America II-52
145. Explosives Consumption: Percentage Share By End-Use Sector: 2000..... III-1
146. US Market for Explosives - A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging value sales estimates for years 1991, 2001 and 2010 in percentage. A Graphical depiction of growth/decline trends across the End-Use Segments – Mining (*Coal, Mineral, and Metal*), Construction, and others III-9
147. US Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-9
148. Canadian Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-12
149. Japanese Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-14

CHARTS

135. Shares of Leading Players in the Global Explosives Market II-5

EXHIBITS

150. European Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the geographic regions - France, Germany, Italy, UK, and Rest of Europe III-18
151. European Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-18
152. French Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-20
153. German Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-22
154. Italian Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-24
155. UK Market for Explosives: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-26
156. Explosives Market in Rest of Europe: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-30
157. Explosives Market in Asia-Pacific: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives III-36
158. Explosives Market in the Middle East: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-38
159. Explosives Market in Latin America: A 20-Year Perspective: A comparative presentation of the past, present and future perspective by staging unit sales estimates for years 1991, 2001 and 2010. A Graphical depiction of growth/decline trends across the product segments - Blasting Agents (*Unprocessed Ammonium Nitrate, ANFO, and Water Explosives*), Propellants, Pyrotechnics, and Other Explosives..... III-41

REVIEW REPORT EXCERPTS
